AND WHEN YOU'VE DONE YOUR SHOPPING - THERE'S LOADS TO SEE AND DO!

WELCOME TO BURNHAM-ON-SEA
Burnham-on-Sea, Somerset, provides a warm welcome to visitors and residents all year round. It is flat and easy to get around with a great variety of shops, eating places and pubs. No visit to Burnham would be complete without a stroll along the Esplanade. Here you can enjoy the scenic views over the Bristol Channel, towards the Quantocks and the Welsh Coastline and experience our stunning sunsets.

TOWN CENTRE
The shopping area runs from Pier Street down the High Street and right along to the far end of Victoria Street, plus all the adjoining side streets. There is a fabulous range of mainly unique, independent shops, services, cafes and restaurants to explore. At the Victoria Street end of town, you will also find a superb Theatre and Cinema.

THE BEACH
The town is located where the Rivers Parrett, Brue and Severn meet. Our beach stretches from Burnham for seven miles northwards to Brean Down and is great for walking. The Low Lighthouse on the beach stands 11 metres high on 9 wooden piles. Its light is operational to protect shipping because of the second largest tidal range in the world!

Before you venture onto the beach, please read the **warning notices to Keep Safe. Stay Safe. DO NOT** approach the water at low tide or walk across the mud. Please read the signs and abide by restrictions related to access for dogs on the beach. There are six miles of beach to play with children and exercise dogs at the same time! Information plaques along the Esplanade sea wall provide historic insights into the area.
